Bethel A.M.E. Church

1525 Michigan Ave.

Buffalo, New York 14209

Dear Rev. Stenhouse,

Thank you for your kind letter asking me to serve as an Emeritus Steward. I appreciate you asking me. I would have enjoyed working with you and contributing in some way to our fine church.

Because of my illness and still under my physician's care, I regret that I cannot accept this position.

Thanks for the opportunity of serving as a Senior Steward for the 1998-1999 year.

In the spirit of love, you have my continued prayers for your well being and growth.

Respectfully, "In Christ"
